

# Air QUEEN

## NANO FIBER FILTER MASK

Long-lasting freshness  
**from morning to evening!**

The effectiveness of electrostatic masks decreases  
with each breath due to the moisture  
Nanofiber Filter has great permeability,  
so you can feel fresh even after a long term use

FDA and CE certified and  
approved filters

Manufactured in South-Korea

side view

## NORMAL MASKS VS AIRQUEEN

PRE- EXISTING MASKS ON THE MARKET ARE HARD TO BREATHE BECAUSE THEY ARE TOO THICK.

THE NEXT GENERATION NANO MEMBRANE LETS THE AIR THROUGH.

FFP2: MASK SURGICAL, RESPIRATOR, SURGICAL APPAREL.

COVERS THE NOSE TO CHINE COMPLETELY, SHOWING HIGH STABILITY WHEN WEARING.

**CERTIFICATIONS AND  
DOCUMENTATION  
AVAILABLE.**
